Dear Chef Marti,

Thank you for visiting the William J. Clinton Presidential Center and for taking the time to write a personal note with special reference to Café 42's Executive Chef Edward House and staff. I was pleased to deliver your comment to the restaurant's manager for his attention and presentation to Chef Edward.

It was a pleasure to have you and Chef Stormy, Victoria, and Joel tour the Library while you were in Little Rock on business. We hope your tour was a memorable one and that you will include us again when your travel plans permit.

On behalf of the Foundation, thank you for sharing some of your recipes and Camp David experiences with us. We would love the opportunity to welcome you again sometime for another visit to the Clinton Library.

Sincerely,

Linda H. Leopoulos
